

SUMESH K SUNDARAN

Senior UI Developer | Front-End Developer

+91 8075924199 sumeshmon2006@gmail.com https://sumeshmon.github.io Kochi, Kerala

SUMMARY

I am a Senior UI Developer with over 12 years of comprehensive experience in front-end development. My expertise lies in Svelte, SvelteKit, JavaScript, and accessibility standards like WCAG. I have successfully led UI projects, streamlined workflows, and modernized legacy systems while ensuring high performance and client satisfaction. I am now seeking a new role as a Team Lead or Senior UI Developer to further utilize my skills

EXPERIENCE

08/2015 - 02/2026

Kochi, Kerala

Senior UI Developer

EQS Web Technologies

- Designed and maintained a scalable Svelte component library used across 20+ global Investor Relations portals, leading to improved consistency and efficiency.
- Led the migration from legacy systems to Svelte/SvelteKit, cutting development time by 40% and boosting performance by up to 40% through systematic code optimization and lazy loading.
- Implemented and ensured compliance with WCAG 2.1 AA standards, reducing accessibility errors by over 95% with semantic HTML and ARIA.
- Developed multilingual, responsive IR portals and microsites for Fortune 500 and European companies, enhancing global accessibility and user engagement.
- Streamlined front-end workflows with reusable components and optimized branching strategies, leading to greater development efficiency and collaboration.
- Collaborated with backend/API teams to improve code quality and reduce rework, fostering seamless integration and project success.
- Mentored junior developers in Svelte, performance optimization, and accessibility, contributing to a knowledgeable and capable team.

01/2013 - 01/2015

Sewri, Mumbai

Senior UI Developer & Project Lead

Innova Technologies

- Developed responsive websites using HTML5, CSS3, JavaScript, jQuery, and Bootstrap
- Built custom templates for Business Catalyst and WordPress platforms
- Conducted extensive cross-device QA on iPad, iPhone, Samsung, Nexus
- Led UI project delivery ensuring quality, performance, and browser compatibility

01/2007 - 01/2013

Worli, Mumbai
